London Foot & Ankle Surgery, London (Remote) -

Web & Software Developer

<https://londonfootandanklesurgery.co.uk>

March 2018 - March 2019

The London Foot & Ankle Surgery is a specialist Podiatric Clinic based in Central London. The role involved the modernisation and improvement of digital systems both on the front and back end of the practice. Key successes included:

- Going Paperless - moving the clinic administration onto a cloud based system
- Digital Productivity Development - developing a series of scripts, addons and applications to automate fundamental administrative processes
- Analytics & Reporting - realtime automatic data visualisation of clinical KPI's
- Improving Design, Content and SEO for multiple websites used by the practice

Creative Opportunities CIC, London - Director

<https://creativeopportunities.co.uk>

April 2016 - January 2020

Creative Opportunities CIC is a Community Interest Company that facilitates and encourages creativity amongst young Londoners, supporting them to develop skills, make connections and lead change.

Working alongside a small board (4 in total) to improve governance across the organisation. Headlines include:

- Creating and implementing policies for:
 - Environmental Practices
 - Data Protection
 - Recruitment (both staff and youth members)
- Implementing a Quality Assurance Scheme (currently Gold level) - moderated by The Federation of London Youth Clubs
- Improving transparency and ensuring the organisation meets regulatory demands, including:
 - Preparing financial statements, developing record keeping practices
 - Fundraising
